**REQUEST FOR CLARIFICATION AND REISSUANCE OF OFFICE ACTION**

Mail Stop Amendment  
Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

The official action mailed on July 13, 2004, in connection with the above-identified application includes a couple of typographical errors and ambiguities which make it impossible to understand. Accordingly, it is respectfully requested that these errors and ambiguities be corrected and/or clarified and that the period for response be restarted as of the mailing date of the correcting and clarifying communication.

Firstly, in section 1 beginning at page 2 of the action, it is stated that "claims assdfasd are rejected." Clearly this is a typographical error. Although claim 1 is mentioned later in this section, it is not clear which other claims are rejected. Correction is respectfully requested.

**Certificate of Mailing Under 37 C.F.R. 1.8**

I hereby certify that this correspondence is being deposited with the United States Postal Service with sufficient postage as first class mail in an envelope addressed to Mail Stop Amendment, Commissioner for Patents, P.O. Box 1450, Alexandria, VA 22313-1450, on:

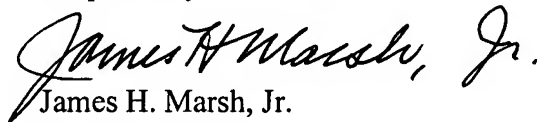

Date: 8/17/04  
Signature: Debbie J. Swenson  
Printed Name: Debbie J. Swenson

The Commissioner is hereby authorized to charge any additional amount required, or credit any overpayment, to Deposit Account No. 19-4409.

Secondly, in section 7 beginning at page 5 of the action, certain claims are rejected "as being unpatentable over Gensler '729 (prior art cited by applicant) in view of Zink (prior art cited by applicant). The problem is that applicants cited four (4) different Zink et al. references and it is unclear which of these four references is intended by the examiner in connection with the rejection. Again, correction is respectfully requested.

In view of the foregoing, it is respectfully requested that the errors and ambiguities mentioned above be corrected and/or clarified and that the period for response be restarted as of the mailing date of the correcting and clarifying communication.

Respectfully submitted,

James H. Marsh, Jr.
